

CURRENT WATER RATES

The current water rates are shown in the table below. These rates became effective in January 2013. The rate for the over 50,000 gallon amount was increased automatically based on the revised Huntsville Utilities supplemental purchase rates. Madison County charges a meter availability fee based on meter size. Additionally, there are service related fees.

Current Water Rates

Amount Used	\$ per 1,000 gallons
First 2,500 gallons	2.50
Next 2,500 gallons	3.75
Next 5,000 gallons	3.50
